

Andrés Villarruel

Statistician | Data Scientist

Mail | eavillarruels@gmail.com
Linkedin | www.linkedin.com/in/villarruel-eduardo-andres
Portafolio | https://thenaranjero.github.io/portfolio/

Statistician and Data Scientist with experience in statistical modeling, machine learning, predictive analytics, and applied research. Strong foundation in mathematics and quantitative methods, complemented by experience in business analytics and data-driven decision making. Proficient in R, Python (pandas, NumPy, scikit-learn), and SPSS, with a focus on feature engineering, data quality, model development, and effective communication of results.

EDUCATION

Bachelor's Degree in Statistics | Universidad Nacional de Rosario | 2026

Selected courses:

- *Thesis on robust alternatives to Levene's test for assessing homogeneity of variance.*
- *Complex Sampling and Survey Methodology*
- *Econometrics*
- *Nonparametric Statistics, Dimensionality Reduction and Generalized Linear Models*

Diploma in Business Intelligence, Big Data and Analytics | Universidad Tecnológica Nacional | 2020

AWARDS AND PRESENTATIONS

Jornadas de Jóvenes Investigadores | National University of Rosario | 2026

- *Presented research on the performance of Levene-type tests under non-normality and outlier contamination.*
- *Conducted simulation studies in R comparing robustness and statistical power across multiple test variants.*

First Prize – Poster Competition | Argentine Statistical Society | 2024

- *Developed a robust rental price estimation model for Rosario, Argentina.*
- *Performed data cleaning, missing-value imputation, text mining, and integration of geolocated public statistics.*
- *Awarded First Prize among student submissions.*

First Prize – Elsa Servy Award | National University of Rosario and Scentia | 2018

- *Analyzed supermarket consumer behavior using dimensionality reduction and exploratory data analysis techniques.*
- *Identified purchasing profiles and consumption patterns.*
- *Collaborated within a multidisciplinary team of statistics and computer science students.*

PROFESSIONAL EXPERIENCE

Data Scientist | Advice Data Analytics | 2018 – 2020

- *Performed customer segmentation and profiling using SQL, R, and SPSS.*
- *Integrated internal databases with official statistics and census data.*
- *Migrated analytical workflows from SPSS to R, reducing execution time by 95%.*
- *Communicated insights to stakeholders and supported data-driven decision-making.*

Statistics Tutor | Tutor.com | 2016 – Present

- *Favorited by more than 1,000 students and maintained an average rating of 4.7/5.*
- *Provided instruction in descriptive and inferential statistics, regression, sampling, and nonparametric methods.*
- *Taught the use of R, Python, Excel, Power BI, Minitab, and StatCrunch.*

Junior Statistician | CEMAR | 2016 – 2017

- *Managed and cleaned administrative records using Excel.*
- *Worked with institutional information systems and administrative databases.*

Field Survey Interviewer | Various Employers | 2014 – 2016

- *Conducted field data collection for survey and research projects.*
- *Maintained data quality standards while managing challenging field situations.*
- *Developed an understanding of how field operations affect data quality.*

Statistical Consultant (Academic Projects) | Freelance | 2015 – 2017

- *Provided methodological support and data analysis for academic research projects.*
- *Created visualizations and interpreted statistical results.*
- *Communicated statistical concepts to non-technical collaborators.*

SKILLS

Statistical Analysis | R (Advanced), SPSS.

Programming & Database | Python, SQL (Basic).

Data Visualization & Spreadsheet | Excel, Power BI (Basic)

Languages | Spanish (Native), English (Fluent)

PROFESSIONAL DEVELOPMENT

Artificial Intelligence, Programming, Data bases and Soft Skills | Alura Latam & Oracle Next Education (ONE) | 500+ hours | 2025

Completed training programs in:

- *Python, MySQL, HTML & JavaScript*
- *ETL Processes, Oracle Cloud Infrastructure & Generative AI Applications*
- *Productivity and Personal Development*

R for Data Science with Tidyverse | Udemy | 35 hours | 2020

Complete Python 3 Course | Udemy | 21 hours | 2020

Text Mining, Web Scraping and Sentiment Analysis | Udemy | 21 hours | 2020

Additional Training in Statistics, Big Data and Data Analytics | Various providers | 2015 - 2020

ADDITIONAL INFORMATION

Boxing Coach | Valhalla Boxing | 2022 – Present

- *Lead boxing training sessions for youth and adult athletes.*
- *Develop training plans and supervise technical progression.*

Combat Instructor | Club Cultural y Deportivo El Cóndor | 2017 – 2018

- *As a part of a team, delivered free self-defense and sport combat workshops for community members.*

Founder – "Wednesday Club" Literary Workshop | 2018

- *Created and coordinated a free virtual literary discussion group.*

Argentine Mathematical Olympiad | Regional Finalist | 2008 - 2009

- *Reached the regional finals of the Argentine Mathematical Olympiad on two occasions.*
